4.1 (i) Vision

- To provide easy and accessible 'education to the youth of the villages'.
- To provide 'higher education to the girls of rural area' at their doorstep so that they can become independent, self-sufficient and confident. This would lead to their 'empowerment' in the real sense.
- To impart quality education to the students so that they can be gainfully employed.
- To teach students to respect and follow the law and order of the country.
- To sensitize the students towards the burning issues of today namely environment, drug addiction, gender discrimination, human rights and social justice through formal and informal modes of education.
- To improve the communication skills, soft skills and confidence of the students by imparting sound knowledge to them so that they can make a niche in the society. To create the spirit of co-operation, teamwork, leadership and friendliness among the students so that they can make a significant and positive contribution to the society
